

CUSTOMER TESTIMONIAL:

“The VX65 refraction system is adaptable, quick to learn and easy to administer.”

Clark DeShon, OD, FAAO
Practice Owner, Olney EyeCare

Luneau Technology’s multi-diagnostic Visionix series of equipment is a very robust environment to provide exceptional patient care. With the multiple testing modalities and diagnostic information, I can diagnose and treat my patients efficiently and accurately. The [Visionix VX65](#) refraction system is adaptable, quick to learn and easy to administer. I recommend the Visionix environment to anyone who is considering upgrading their practice to digital refraction.
